Dear Richard & Bob]

I got Adlkofer and he would be free for Richard's planned visit on Friday July 2, 1993. He would even have the evening of Thursday July 1 free for a start of the talks. On Friday he has limited time until lunch, the afternoon is blocked by a university lecture. Richard, please confirm with me, make the necessary flight changes and tell me where you want to spend the night, either in the Maritim, Cologne, or changing over to some hotel nearer
